

BEGINNINGS: Genesis Chapters 1 to 11

The Origin and Purpose of Life

- **Why God made the world**
- **God's 'words' in DNA**
- **Marriage and families**

- **How sin destroys life**
- **How God punishes sin**
- **Noah's Flood explained**

THIS BOOK explains how and why God made the world and everything in it. It teaches the purposes of God which are important for us today. It shows how everything was perfectly made from the beginning but was later spoilt by sin. It warns that God punishes sin but promises hope for those who obey Him and put their trust in His Son, Jesus Christ. It also gives details of the worldwide Flood at the time of Noah.

MANNA PUBLICATIONS publish small Bible teaching commentaries written by Fred Morris to use on your own or to study in a group. For many years Fred and his wife Lorna travelled round the world teaching and preaching. His books are easy to read, understand and translate into other languages. They give basic New and Old Testament teaching of God's truth with practical applications of our salvation through Christ alone plus additional notes for Bible students, teachers and pastors.

THESE BOOKS will help you to come closer to Almighty God. He is worshipped by millions of Jews and Christians worldwide. These books will also help you to receive salvation and eternal life through God's Son, Jesus the Christ who is Israel's Messiah. They will help you to talk about your faith in God and to pray to Him. They will help to guide you from going the wrong way in life. They will help you to live a life that is pleasing to God through the love and power of His Holy Spirit. This was promised to all who believe Jesus is the Son of God, who suffered death for our sins before returning back to Heaven.

WE PRAY that you may have a new peace and purpose in life as you trust in God, read the Bible and use these commentaries. Think about what Jesus taught and suffered 2000 years ago for our eternal salvation and what He is calling you to say and do today to prepare the way for His return. Amen.
