THIS IS THE true story, 3500 years ago, of the journey of the people of Israel from Egypt to God's Promised Land in Canaan. That is where nearly half the Jews live today. God taught them on the way through the desert many things that are still useful today. As well as His laws and guidelines, this book teaches about the great importance of personal holiness. Sin deserves God's punishment. We read here how God chose the sacrifice of innocent animal blood at the time of Moses to take away the sins of the people. Christians believe that this process was replaced by the sacrifice of the innocent blood of God's own Son, Jesus Christ. This happened 2000 years ago. Ever since, repentance and faith in Jesus has been the way back to God for millions of Jews and non-Jews who have been saved from unholy living.

MANNA PUBLICATIONS supply Bible teaching commentaries written by Fred Morris. For many years Fred, and his wife Lorna, travelled round the world teaching and preaching. When they returned home they wrote these notes for printing locally wherever there was a need for basic Christian teaching.

MANNA BIBLE TEACHING COMMENTARIES are easy to read, easy to understand and easy to translate into other languages.

THESE BOOKS are to use on your own or to study in a group. They will help you to understand the truth of Almighty God, whose Hebrew name is Yahweh. He is worshipped by two billion Jews and Christians worldwide. These books will also help you to receive salvation and eternal life through God's Son, Jesus the Christ or Messiah, whose Hebrew name is Yeshua. They will help you to talk about your faith in God and to pray to Him. They will help to guide you from going the wrong way in life. They will help you to live a life that is pleasing to God.

WE PRAY that you may have a new peace and purpose in life as you trust in God, read the Bible and use these commentaries. As you read, think about what Jesus said and did 2000 years ago and what He is calling you to say and do today to prepare the way for His return.
