JESUS THE FRIEND OF CHILDREN

Manna for Children — Jesus — Friend of children

MARK 5:40

Are you sick? Keep praying about it. The prayer of faith will make the sick person well. James 5: 13-15.

This is my book

People came to hear Jesus speak. They came from many towns – (Luke 8:4).

The little girl is alive . . . and well.

Give her something

It is a miracle!

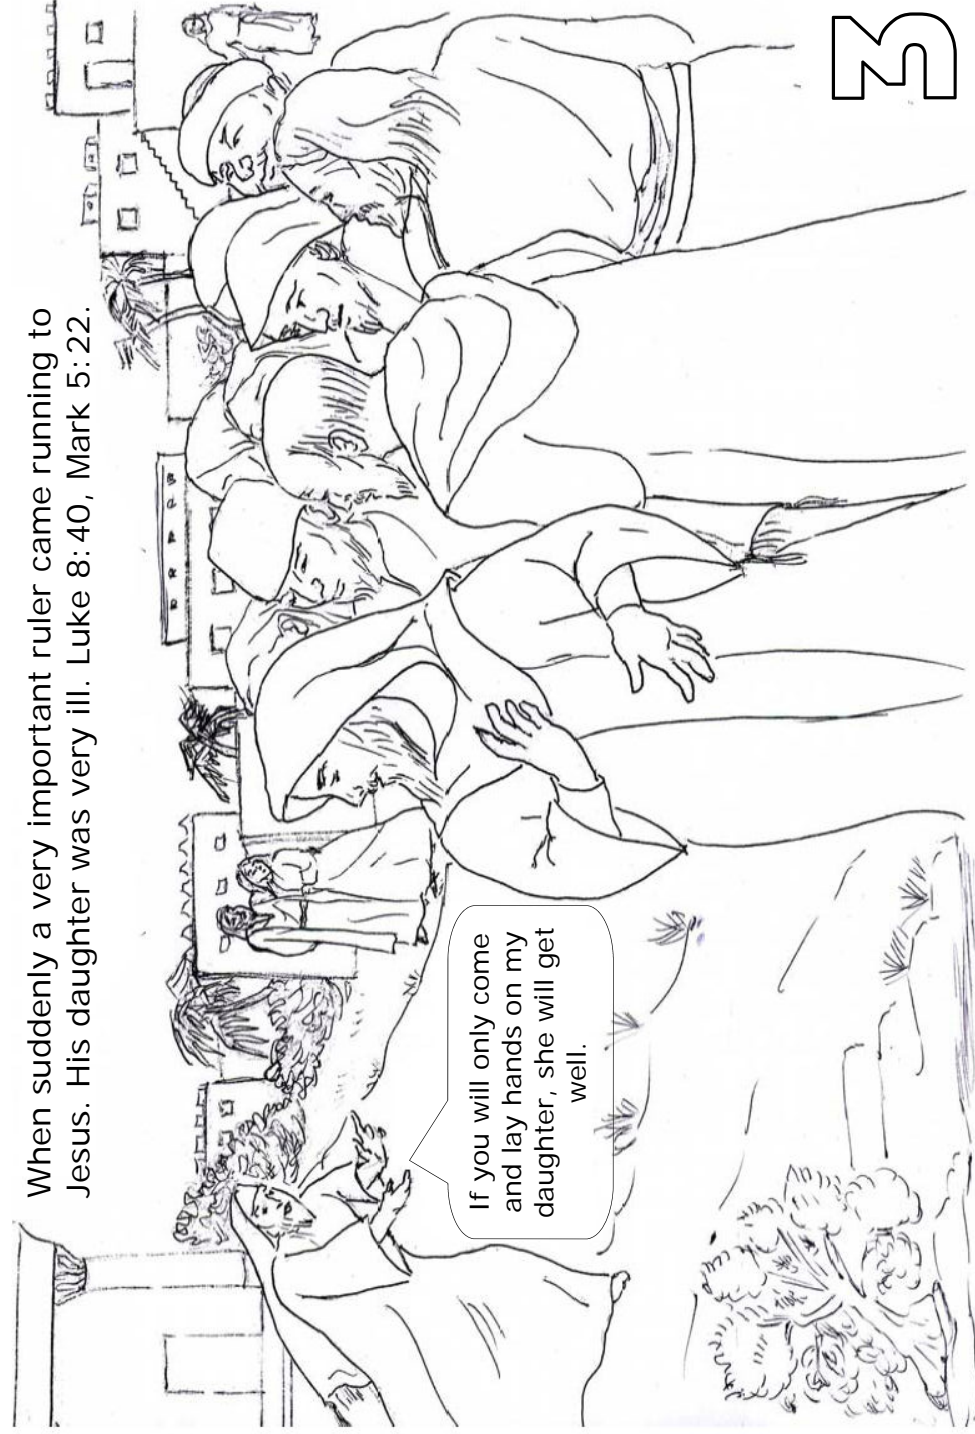

Momma!

14

When suddenly a very important ruler came running to Jesus. His daughter was very ill. Luke 8: 40, Mark 5: 22.

If you will only come and lay hands on my daughter, she will get well.

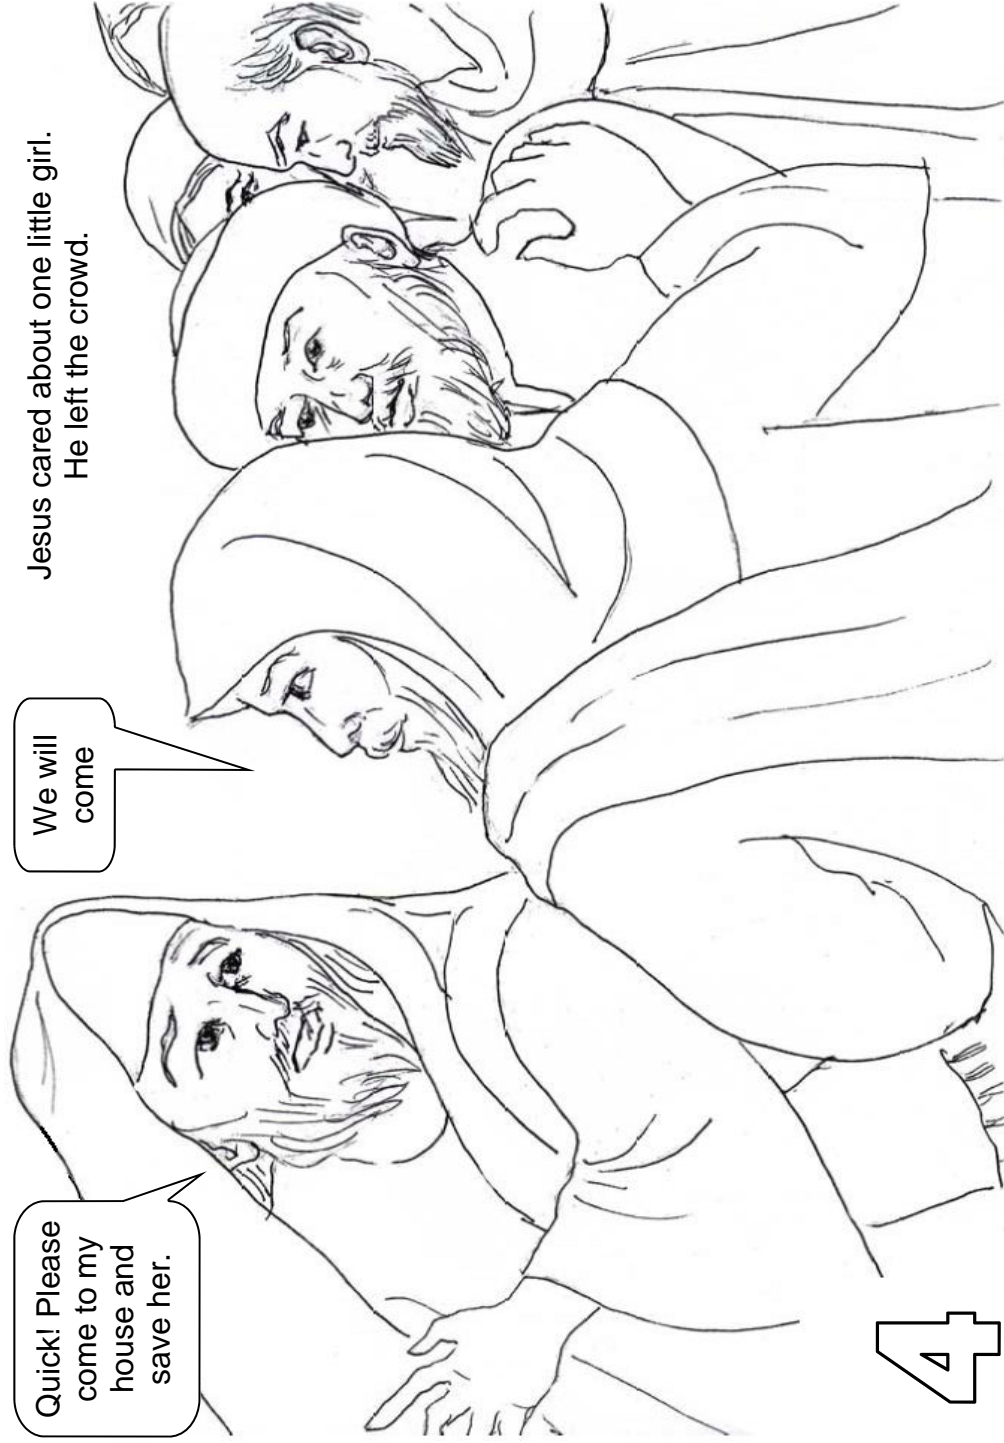

3

Quick! Please
come to my
house and
save her.

We will
come

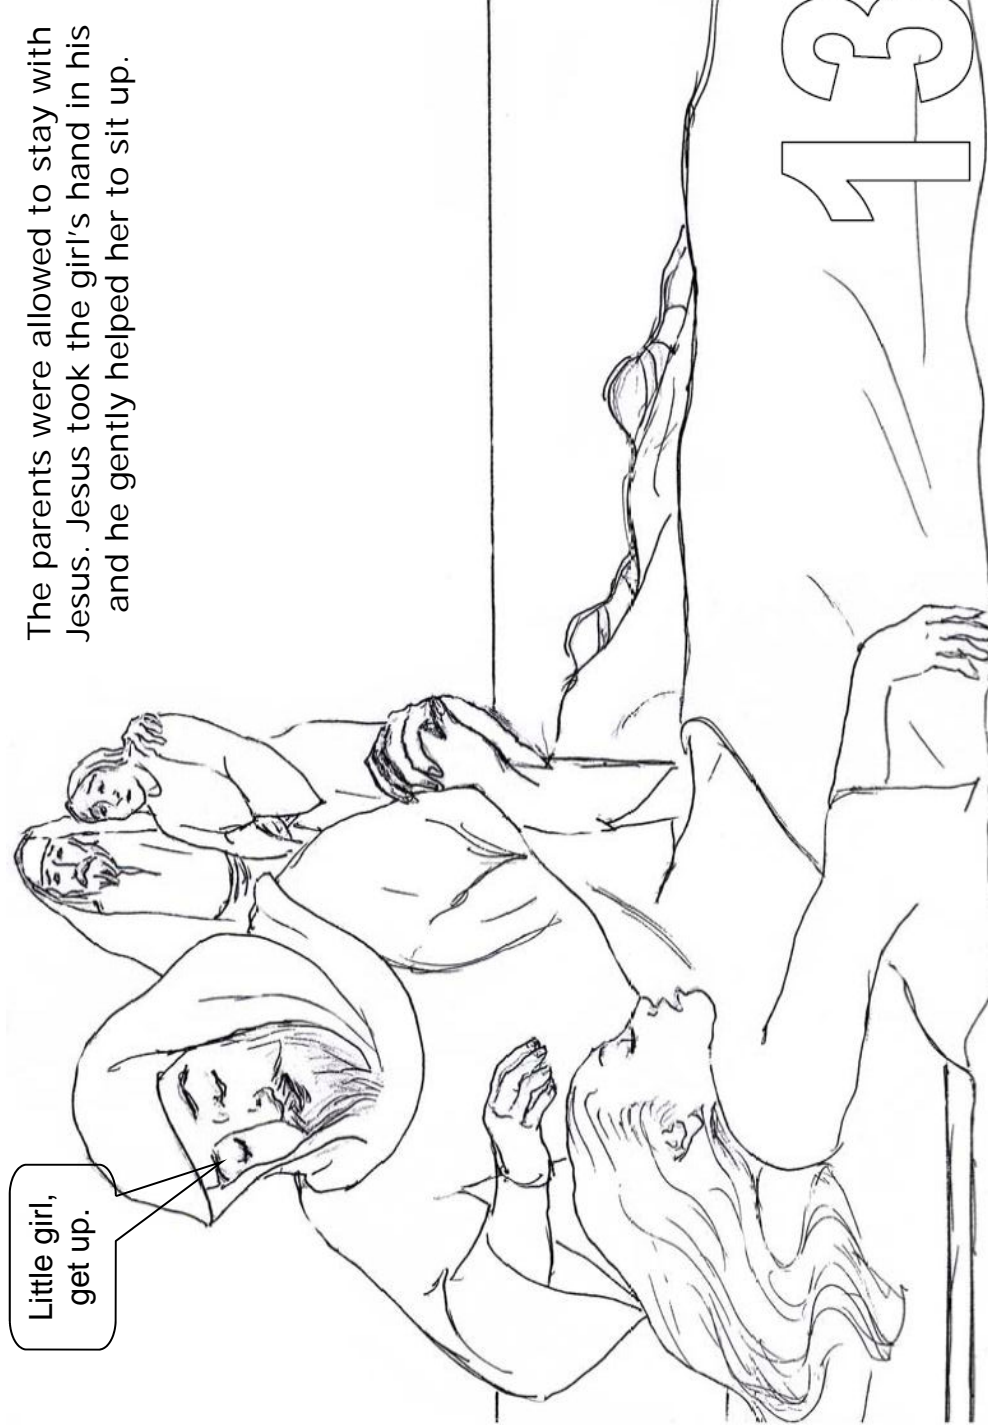

Jesus cared about one little girl.
He left the crowd.

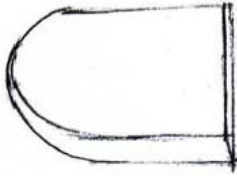

4

Little girl,
get up.

The parents were allowed to stay with
Jesus. Jesus took the girl's hand in his
and he gently helped her to sit up.

13

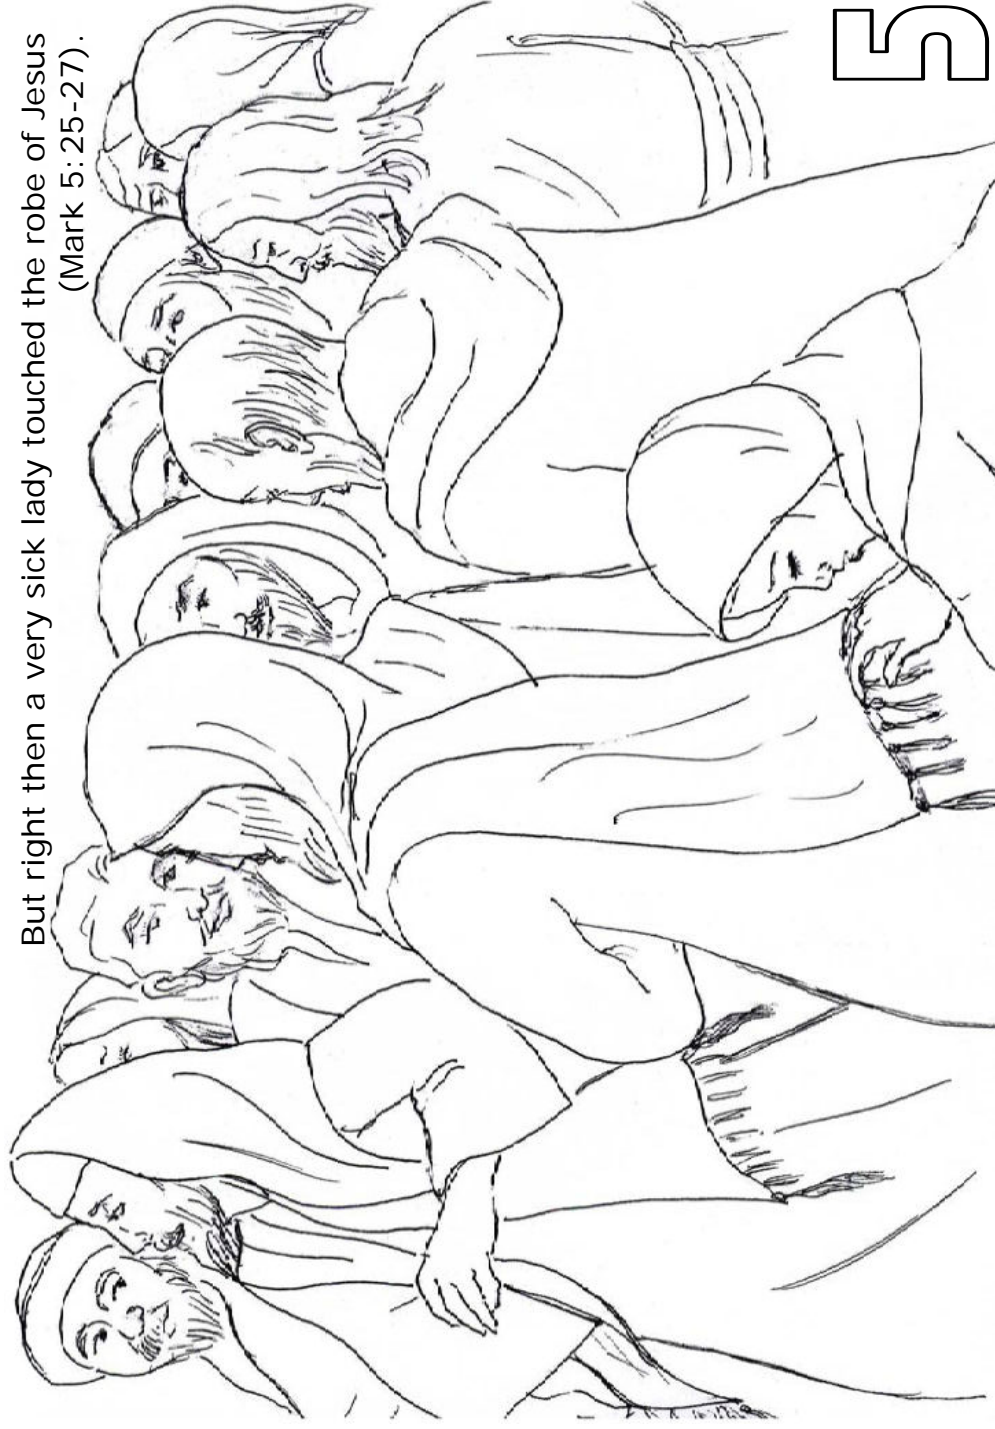

Jesus told the crowd to go outside (Mark 5:40).

Her parents grieve. Their precious daughter was dead.

I am sorry.
You must go
outside.

But right then a very sick lady touched the robe of Jesus (Mark 5: 25-27).

Who touched me?

Lord, I knew I would be healed if I could touch you.

What do you mean, who touched you?

There are people everywhere.

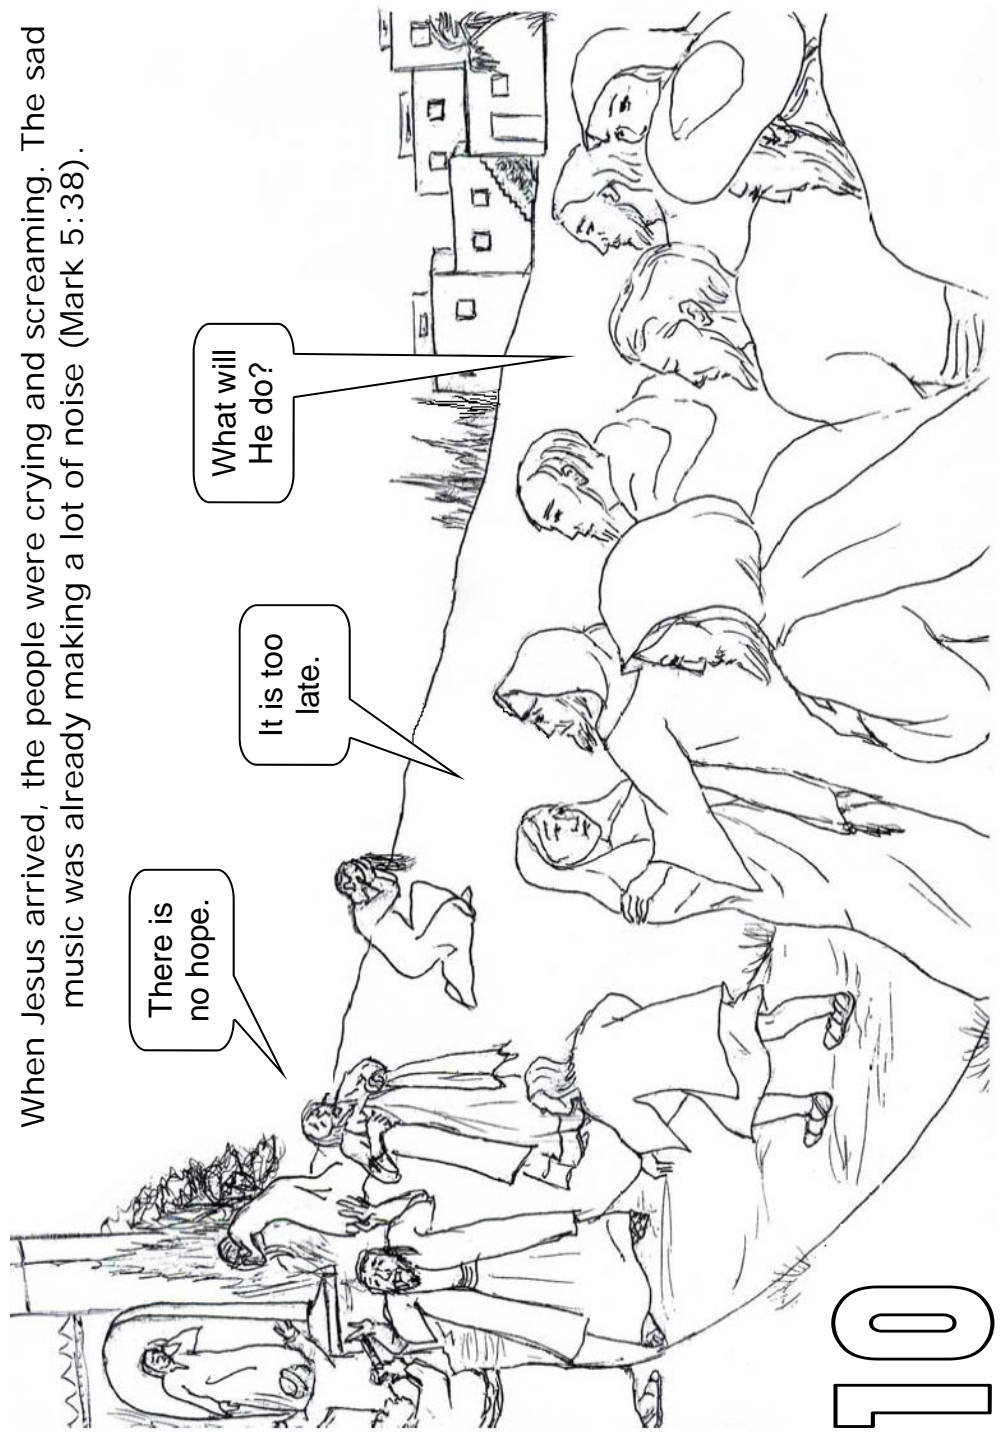

6

When Jesus arrived, the people were crying and screaming. The sad music was already making a lot of noise (Mark 5:38).

There is no hope.

It is too late.

What will He do?

10

She will be alive again soon . . . please be quiet.

What are you talking about?

Are you crazy

Your trust in me has made you well again.

Thank you, Jesus. No one else could help me. I have been sick for the last twelve years.

Jesus told the father of the twelve-year-old girl to believe and keep trusting him (Mark 5: 36).

It is too late.
Your daughter is
dead.

O Lord, please
help me.

Do not be afraid.

Jesus and his disciples start out again, with the little girl's father.
