**THIS BOOK** describes the second part of the Acts of the Apostles, and the three missionary journeys of the Apostle Paul in the Roman Empire nearly 2000 years ago. The teachings of Paul spread quickly around the Roman world by letters and by preaching. They remain as a guide for millions of Christians today. His example encourages believers to follow Jesus and lead a holy life, in a loving fellowship with other believers.

**MANNA PUBLICATIONS** supply Bible teaching commentaries written by Fred Morris. For many years Fred, and his wife Lorna, travelled round the world teaching and preaching. When they returned home they wrote these notes for printing locally wherever there was a need for basic Christian teaching.

**MANNA BIBLE TEACHING COMMENTARIES** are easy to read, easy to understand and easy to translate into other languages.

**THESE BOOKS** are to use on your own or to study in a group. They will help you to understand the truth of Almighty God, whose Hebrew name is Yahweh. He is worshipped by two billion Jews and Christians worldwide. These books will also help you to receive salvation and eternal life through God's Son, Jesus the Christ or Messiah, whose Hebrew name is Yeshua. They will help you to talk about your faith in God and to pray to Him. They will help to guide you from going the wrong way in life. They will help you to live a life that is pleasing to God.

**WE PRAY** that you may have a new peace and purpose in life as you trust in God, read the Bible and use these commentaries. As you read, think about what Jesus said and did 2000 years ago and what He is calling you to say and do today to prepare the way for His return.
