THIS BOOK tells us that Paul planted the church in Ephesus (Turkey) and wanted to remind them of his many teachings. Paul was a Jewish believer in the Messiah, Jesus Christ, Son of God Almighty. He wanted to remind other Jewish converts to continue to live in the new way of trust in Jesus and in the power of God's Holy Spirit. Jewish believers and Christians from other nations were now one family of God. They should all give up their old ways of living and live, work and worship in love and unity, avoiding conflict. They must therefore learn to trust and serve each other. He reminded this New Testament church to remain strong against evil things that might come to test them. Paul's teaching is important for all Christians today.

MANNA PUBLICATIONS publish small Bible teaching commentaries written by Fred Morris to use on your own or to study in a group. For many years Fred and his wife Lorna travelled round the world teaching and preaching. His low-cost books are easy to read, understand and translate into other languages. They give basic New and Old Testament teaching of God's word with practical applications of our salvation through Christ alone plus additional notes for Bible students, teachers and pastors.

THESE BOOKS will help you to come closer to Almighty God. He is worshipped by millions of Jews and Christians worldwide. These books will also help you to receive salvation and eternal life through God's Son, Jesus the Christ who is Israel's Messiah. They will help you to talk about your faith in God and to pray to Him. They will help to guide you from going the wrong way in life. They will help you to live a life that is pleasing to God through the love and power of His Holy Spirit. This was promised to all who believe Jesus is the Son of God, who suffered death for our sins before returning back to Heaven. These are important teachings for these last days before His return.

WE PRAY that you may have a new peace and purpose in life as you trust in God, read the Bible and use these commentaries. Think about what Jesus taught and suffered 2000 years ago for our eternal salvation and what He is calling you to say and do today to prepare the way for His return.
