THIS BOOK shows God at work in the life of Joseph. He was the great-grandson of Abraham. He was one of the twelve sons of Jacob (Israel). Joseph was part of God's plan for blessing the children of Israel. His faith in God remained strong in times of trouble. In doing God's will, Joseph reunited his family and also saved them from famine. Joseph's older brothers planned to destroy him, but God brought good out of evil and restored family unity. This then fulfilled the promises God made to Abraham regarding the family of Jacob and the nation of Israel. Joseph's brother Judah repented and his descendants produced the family line of Israel's Messiah, Jesus Christ. In this way Joseph, Israel's son and saviour, prepared the way for Jesus, God's Son and Saviour of the world.
