A Letter to the Early Followers of Christ

- **Beliefs and needs of the early Christians**
- **Basic Christianity and how to grow in faith**
- **The need to leave behind old religious traditions**

- **God's fulfilled covenant with us through Christ**
- **Great Old Testament men and women of faith**
- **Entering into God's promised rest for all people**

THIS BOOK was written in the early days of Christianity. It encourages both Jewish and Gentile believers to discard all useless traditions. It helps us to grow in our faith. It helps us to be holy. It encourages us to witness to others how the Lord Jesus Christ is at work in our lives. It helps us to discipline ourselves like runners in a race. It confirms that helping others also helps us to grow in faith. It gives many examples of ordinary men and women who had great faith in the Lord God Almighty. It encourages our faith in Jesus to grow today.

MANNA PUBLICATIONS publish small Bible teaching commentaries written by the late Fred Morris to use on your own or to study in a group. Fred and his wife Lorna, originally from Australia, travelled round the world teaching and preaching before retiring to the USA. Their low-cost books are easy to read, understand and translate into other languages. The books explain basic New and Old Testament teaching of God's word and the new life found in Christ plus additional notes for Bible students, teachers and pastors.

THESE BOOKS will help you to come closer to Almighty God. He is worshipped by millions of Jews and Christians worldwide. These books will also help you to receive salvation and eternal life through God's Son, Jesus the Christ who is Israel's Messiah. They will help you to talk about your faith in God and to pray to Him. They will help to guide you from going the wrong way in life. They will help you to live a life that is pleasing to God through the love and power of His Holy Spirit. This was promised to all who believe Jesus is the Son of God, who suffered death for our sins before returning back to Heaven. These are important teachings for these last days before His return.

WE PRAY that you may have a new peace and purpose in life as you trust in God, read the Bible and use these commentaries. Think about what Jesus taught and suffered 2000 years ago for our eternal salvation and what He is calling you to say and do today to prepare the way for His return.
